

Division Three Math/Science Full-time (1.0) Probationary Position
August 20, 2025 – June 30, 2026

Calgary Girls Charter School (CGCS) is currently seeking a qualified applicant for a Division Three Math-Science position. This individual is interested in improving the learning and life outcomes for girls and young women. This full-time position will commence **August 20, 2025**.

The Calgary Girls Charter School, one of Alberta's unique public charter schools, serves approximately 525 students in grades four to nine in SW Calgary. Our charter goals include high academic achievement as well as healthy social-emotional development of girls and young women. Our unique Go Girls curriculum infuses our culture and instructional program. Through the pedagogical lens of inquiry, the school supports learning to nurture confident, competent, caring young women who have a strong sense of self, appreciation for others and respect for community.

As a school of choice, Calgary Girls Charter School emphasizes a collaborative teaching and learning environment where parents are partners in our learning community.

In this all-girls learning environment, all staff are expected to remain current in research that informs professional practice and inspires the school's vision and mission. The school partners with parents to raise girls who challenge gender role stereotypes, value self and others, consider issues of equality and justice, and contribute to the well-being of a safe, caring and welcoming environment.

This is an exceptional opportunity to grow as a teacher by working collaboratively with an outstanding team of professionals.

The ideal candidate:

- possesses background and experience teaching math and science at the middle school level
- possesses strong understanding of diversity, equity and inclusion practices
- creates a safe, caring, inclusive, collaborative, learning environment where girls develop confidence and competence
- engages students through authentic, real-world challenges
- transforms education through intentionally designed learning opportunities.
- is technologically literate, exploring and leveraging the possibilities that media affords
- believes every child can experience success in a positive, supportive classroom.

Compensation: The Calgary Girls Charter School offers a competitive compensation and benefits' package.

Applicants must provide:

- Evidence of a valid Alberta Teaching Certificate
- Cover Letter
- Resume
- Names of three references, two of whom must be current or recent supervisors of instructional practice
- Current Vulnerable Sector Check (within 3 month)

Send complete application package via email to humanresources@mycgcs.ca with "Division Three Math/Science Position in the subject line. Posting closes at 4:00 pm on Wednesday, May 14, 2025.

While we appreciate all applications received, only shortlisted individuals will be contacted.
